| SCOPE OF TESTING: | Compliance of product with EU food legislation |
| PLACE OF TESTING: | ARGE Agrolab-Belan C&LA, Consulting & Lab Analysis, Durisolstr. 7, A-4600 Wels |

**Expert Opinion:**

The composition of the product meets the general regulations of the Austrian Food Safety- and Consumer Protection Law (BGBl. 13/2006 idjgF.) and the EU regulation 178/2002 as amended. The product composition complies to regulations Reg. EC 231/12 and Reg. EC 1333/08 as amended.

The results of the sensory, microbiological and chemical investigations provide no evidence for a complaint (Reg. 2023/915 as amended).

The obligatory labelling elements conform to the regulation on the provisions for food information (Reg. EC 11669/2011 idjgF) and labeling of food supplements (Dir. EC 46/2002 as amended).

Based on the test performed, the product is suitable for human consumption and are therefore approved, respectively free for sale in Austria (member of the EU).

Dipl.-Ing. Dr. Thomas Eidenberger
Authorized Food Expert acc. to § 73 LMSVG

Attachment 1: Labeling proposal

Recommendations:

The ingredients

“lyophilized (sublimated) gel from brown seaweeds kelp and fucus "PLASMA" (water, dried kelp, dried)

should read:

“lyophilized gel from brown seaweeds kelp, fucus preparation (water, dried kelp, dried)

The term “antiparasitic protection” might be interpreted on basis of the ingredients as non-authorized “health claim”.
