Expert Opinion:

The composition of the product meets the general regulations of the Austrian Food Safety- and Consumer Protection Law (BGBl. 13/2006 idjgF.) and the EU regulation 178/2002 as amended. The product composition complies to regulations Reg. EC 231/12 and Reg. EC 1333/08 as amended.

The results of the sensory, microbiological and chemical investigations provide no evidence for a complaint (Reg. 2023/915 as amended).

The obligatory labelling elements conform to the regulation on the provisions for food information (Reg. EC 11669/2011 idjgF) and labeling of food supplements (Dir. EC 46/2002 as amended).

Based on the test performed, the product is suitable for human consumption and are therefore approved, respectively free for sale in Austria (member of the EU).
