Expert Opinion:

The composition of the product meets the general regulations of the Austrian Food Safety- and Consumer Protection Law (BGBl. 13/2006 idjgF.).

The obligatory labelling elements conform to the regulation on the provision of food information (Reg. EC 11669/2011 idjgF).

Based on the test performed, the product is suitable for human consumption and are therefore approved, respectively free for sale in Austria (member of the EU).
